Amendment 3 is issued to incorporate the following:

- a. The following sentence is added to the Overview section of the RFP Cover Letter:

Revision 8 of the RFP Cover Letter is now incorporated. Revision 7 of the RFP Cover Letter is no longer applicable.

- b. The Draft SOW is revised as follows:

1. The 5<sup>th</sup> paragraph of the Introduction section on page 9 is revised to include the following: “LLNL reserves the right to make an award based on the proposals for the ORNL 2021 system.”

2. Section 11.6 referred to a “DOE P clearance” in error. Section 11.6 is revised to read: “The proposed CORAL system will be installed in a Limited Access Area Vault Type Room (VTR) at LLNL. Offeror’s support personnel will need to obtain DOE P approval (i.e. pass a preliminary background investigation) for repair actions at LLNL and be escorted during repair actions. USA Citizenship for Offeror support personnel is required. LLNL may pursue Q clearances for qualified Offeror personnel.” See Q&As no. 102.

- c. Revision 4 of the CORAL2 Price Schedule is incorporated. There was an error referencing 480VAC and 600VAC along with a typo in section number for the Alternative Integrated Cooling Solution, see Q&As no. 103 and 104 for a further explanation.
